

**We are exhibiting at the "Tokyo Pack 2021" Exhibition.**

February 24th (Wed) - 26th (Fri) 10:00 - 17:00

For three days between February 24th and 26th, Nippon Closures Co., Ltd. is participating in the "TOKYO PACK 2021" Exhibition as part of Toyo Seikan Group Holdings, Ltd., which is taking place at the Tokyo Big Sight Hall.

Our theme for this year is "We will wrap the Earth next". We will introduce various products and initiatives from our group, aiming to achieve a better future with the three goals of a "low-carbon society," a "resource-recycling society," and a "society in harmony with nature" for a better future.

We are also working to prepare a special website for those who have difficulties in attending. Please visit the following website which will go live from Wednesday, February 24th 2021.
